

3SPGroup

Alexandre Krivine
President & CEO

Alexandre Krivine holds a degree from the École Nationale Supérieure d'Agronomie de Paris and the École Pour l'Informatique et les Techniques Avancées de Paris (EPITA). In 1992, he joined the Thomson Group (SYSECA) as a development engineer then as a project manager. In 1993, he joined the MARBEN Corporation where he held various positions from project manager to senior vice-president. Since 1995 he is a serial entrepreneur, he created the SKYWORLD sold to Cegetel in 1997, Mine & Yours sold to the Vivendi Corporation in 1997, and Right Vision which quickly became the European leader in the Internet Server Appliances market, before being sold in 2004 to Alcatel. In 2006, he used his holding to develop a publisher of the first global tool for managing the flow of communications. In 2007, his primary challenge was the creation of 3S PHOTONICS then the development of 3SPGroup.
