

Dr. Hassan Kassi
General Manager - North America
Executive V.P. - R & D

Dr. Kassi has over 19 years of experience in managing R&D programs and new products development from an early stage of innovation to mass production. In 1993, he founded Scientech R&D, which was concentrated on turnkey solutions for customers in various industry segments. In early 2003, Mr. Kassi decided to join Avensys through a merger transaction between Scientech R&D and Avensys Inc. During the last 9 years, Hassan held different senior positions from V-P R&D to COO of Avensys. He is currently General Manager - North America and Executive V.P. R & D at 3SPGROUP. He also holds the position of President & CEO at ITF Labs.
